

LICENSED GAME BREEDERS IVR GUIDE

Licensed Game Breeders may now report changes in their inventory online or through the Interactive Voice Response (IVR) system. Game Breeders may dial the IVR phone line at 833-497-3501 and use the numbers on the phone keypad to submit their changes. Based on the changes to be reported, Game Breeders may also be connected to a call center after dialing in to the IVR phone line.
